

Client

Mercer Hall Leisure Centre

Project Description

Refurbishment of Existing Leisure Facilities

Project Details

Appointed by Hyndburn Borough Council, George Pearce Construction undertook works at Mercer Hall Leisure Centre which comprised of stripping out the existing Sauna, altering partition walls and showers to suit the proposed layout, new wall and floor tiles. The works also included manufacture and installation of a new Bespoke Sauna and the refurbishment of the existing Steam Room with new ceramic tiles, new lighting, a new glass front and glass doors fully etched to DDA requirements.

This provided the Leisure Centre with not only larger facilities but extensive upgrades, this helped improve the Leisure Centres already impressive facilities.
