

Client _____

St Peter & St Pauls Church of England Primary School

Project Description _____

Single Storey Extension and Internal Alterations

Project Details _____

The work at St Peter & St Paul's Church of England Primary School comprised of the relocation of a historic wooden carving, construction of a single storey extension with a flat roof and provision to create new staff and disabled toilet facilities.

Internal alterations followed with stripping out of existing toilet facilities, demolition of internal structural walls and associated works to provide a new link corridor to the new extension and also a much larger main reception office to accommodate additional members of staff.

Finishing works consisted of new Suspended Ceilings, Floor Coverings and Complete Redecoration throughout.

Location _____

Arundel Street, Rishton, BB1 4DT

Contract Period _____

13 Weeks

Contract Administrator _____

Watson Stirrup Architects

Contract Value _____
